

February 2013

My sister's wedding!  
I love her :)

When you pray, do not tell us in a far-off, distant, & solitary time to pray, standing in a "prayer closet" and on the street corners to the sport to men. Tell us the truth about the door and pray to your Father who is in heaven, for your Father who sees what is done in secret will reward you openly. Do not be like the babbling hire pagans, for they think they will be heard because of their many words. Do not be like them, for your Father knows what you need before you ask him. "Thus, then, is how you should pray": "Our Father in heaven, hallowed be your name, your kingdom come, your will be done on earth as it is in heaven. Give us today our daily bread. Forgive us our debts, as we also have forgiven our debtors. And lead us not into temptation, but deliver us from the evil one."

Hi beloved family, friends, and awesome partners of the gospel of Jesus Christ! I hope your holidays and new year has been refreshing. I had many awesome trips and fun things with family. But there was also a wrestling going on in my soul; Trusting God in some areas and not in others. I have learned when I take my trust off of Him, I easily get entangled in sin. That sin deeply hurts my relationship with Jesus. Can you relate?

In October of last year the president of Athletes in Action, Mark Householder called our ministry to be preparing for an extended time of intense prayer and fasting in February. I was pumped and I signed up to be part of a team to help the logistics and heartbeat of that call for our ministry. If you haven't noticed by now you know that I love prayer! Hopefully you have received prayer bombs via Face book, email or telephone from me as I try to lift you all up in prayer as much as I can. I consider it a privilege to have you as partners in the gospel with your L.I.F.E. Labor, Influence, Finances and Expertise.

No matter where you are in your walk with Jesus, I would like to invite you to join us in the month of February for an intense time of seeking Jesus face.

If you remember I took an Old Testament prophets class online with Dallas Theological Seminary last spring. I was reminded that God warns nations and His people through His prophets and if they respond with repentance He will relent from His wrath on them (Jonah 3:1-10). I have been participating and studying fasting and prayer for over ten years and am blown away by the power of corporate fasting in the Bible! When God's people humble themselves and pray, He comes in and does incredible revival in their souls and the history of humanity is changed! Jesus taught His disciples when they failed to cast out demons that some things only go away through fasting and prayer (Matthew 17:21).

Are you wanting to see breakthrough in your life? Are you lukewarm? Are there major obstacles that are bigger than you like: clean water in other countries, abortion, sex slave trade, materialism in America? What if God's people actually sought His face corporately? What if as we fast and pray He exposes sin and brings deep repentance into our life as a corporate body? I believe we would see Church revival! I am encouraged to hear that many others ministries and churches are calling their people to do the same throughout this year. Would you join me? Would you join us?

Go to <http://prayer.athletesinaction.org/> as you consider this invitation for daily devotionals and resources to help you during this time.

*Jesus call everyone who reads this back to their first love. Jesus pour out revival on your church, on your people. Help us to long for you in Spirit and Truth!*

In Jesus name,

Taylor Hargrove
