# TIME FOR TURKEY!

## THE PEOPLE OF TURKEY

### NEED TO HEAR ABOUT JESUS IN THEIR OWN LANGUAGE!

Time for Turkey, Duh! Yeah, but not the kind you are thinking of for the Holiday! Last March as I was preparing to go to Turkey, Jesus was preparing me for a huge step of faith that will have significant eternal impact; Oh and He was preparing you too! It was late at night after I had been studying about Biblical Ephesus a major city in Turkey at the time. I was challenged to take a step of faith beyond going to Turkey.

I was listening to a short video that made me ask a question, "How can I really make a long term impact in this country and in people's lives?" I felt Jesus put in me a passion to help raise money to translate the Jesus Film into a language in Turkey. To let them hear the gospel in their own language with their own native speakers. I didn't know which language, after all the main language, Turkish already had the Jesus Film. About eight months later there is a specific minority people group in Turkey that we have the privilege of adopting and helping get to hear the gospel in their own language through the Jesus Film. This could change their eternity!

For those of you unfamiliar with the Jesus film. The Jesus film is a movie from the 80's based off the gospel of Luke translated into over 1,100 different languages. We can make it one more language!

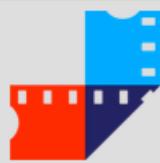

*Romans 10:14-15*  
14 How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? 15 And how are they to preach unless they are sent? As it is written, "How beautiful are the feet of those who preach the good news!"

Will you join me in raising money to help translate the Jesus film into the language in that which we have been given? If so, you will be making an eternal difference in a minority people group with over one million speakers in the country of Turkey. This is the extent of the level of details I can reveal for security reasons. This specific group of people can hear the gospel in their own language and see the Gospel through the Jesus film? Will you join me in our goal of raising \$38,000? What a small sacrifice for such eternal rewards? How much can you give? \$10 or \$1,000 doesn't matter, its the offering of the widow who gave her last two coins that Jesus saw as worship. Turkey was once a thriving country in the early church, lets help it once again be that way by capitalizing on this opportunity.

Click below to donate now or write a check to Jesus Film and mail it to me (see address at bottom of second page) and I will send it in.
