Our SportLinc Team. I have the awesome honor of leading these men and women (pictured on page 1) to lead over 50 college Athletes in Action sports ministry movements with roughly 1,000 students using their athletic influence for Jesus around the country! We have so much fun together as Jesus has grafted us together through prayer.

Why I love them?...I love them because we are authentic in our brokenness, passionate in our mission, fun and gentle in our interactions, gifted differently and work out of the theme verse Psalm 78:72 trying to shepherd with an "Upright Heart and with Skillful Hands!"

What we do...We are the catalytic arm of AIA's Campus Ministry where we don't have staff. We distance coach college athletes on college campuses one hour a week to help them in leading and launching a spiritual movement in their athletic department. We help them in their walk with Jesus to **Win** athletes to Jesus through evangelism, **Build** them up in their faith and **Send** them out to impact the world for Christ.

This year we have really focused on developing **Ministering Disciples**. Definition: A ministering disciple has been trained how to share the gospel, share a testimony, walk in the Spirit, and disciple others. They will be involved in the ministry. Campuses I have visited

The vision of Athletes in Action is to see a, **"Christ-Follower on Every Team, in Every Sport, in Every Nation."**

Below are some fun videos to watch that we recently put out for you to get to know us more.

SHOUT OUTS TO JESUS!

● **Turned 35 years old-** SportLinc team gave me eight pages of verbal affirmation and bought me a Ninja sword with the engrained leadership verse for our team on the sheath.

● **Sinclair Jr. College** - I am so thankful that the new believers continue to grow in their walk with Jesus at a weekly Bible Study. They are taking turns leading it and inviting others to come. Pray for them to desire holiness as Jesus makes them more like him.

● **Athletes in Action 50th Anniversary-** In April all of our staff gathered for our 50th anniversary. To hear stories from some of our founders, especially the early mission trips from some of our olympic wrestlers was very inspiring as they: were shot at by snipers, got in beyond the Iron Curtain and much more.
