

GOD BRINGS THE GROWTH!

"1 CORINTHIANS 3:7 "SO NEITHER THE ONE WHO PLANTS NOR THE ONE WHO WATERS IS ANYTHING, BUT ONLY GOD, WHO MAKES THINGS GROW."

We are so thankful for the seed-planting, watering and growth that Jesus is in charge of at Metro State University and are extremely grateful for Coach Glenn! She is an awesome woman of God who has really used her influence to help bring growth in the athletes spiritual lives at MSU!

God is also growing an amazing team of volunteer staff that have been mentoring and following up with our athletes after team meetings. All of these amazing men and women have gifts that are helping the athletes at Metro State grow and we hope to influence the other five major campuses in the Denver Metro Area. Please keep praying for favor and open doors with every coach and team in Denver!

Eve got to do her first Athletes in Action team meeting with Metro State Volleyball. They loved her and still do :) We are glad Eve is serving in mission early on in her life.

Nick & Draven, guys I am mentoring in the study Wild at Heart, a Biblical Manhood Series. We threw some Tomahawks & Ninja stars but the funny thing is that I forgot to take the stars out of my bag and got in some small trouble with TSA at the Airport (oops :)

Our staff and volunteers planned an awesome Halloween party for the student athletes at Metro and surrounding campuses. The party included ultimate frisbee, apple bobbing, food and testimonies. I even found out I had some apple bobbin skills I did not know were in my repertoire! We had fun, food and fellowship thanks to so much work from our staff team and God who makes things & people grow!
