

REVELATION 7:9 AFTER THESE THINGS I LOOKED, AND HERE WAS AN ENORMOUS CROWD THAT NO ONE COULD COUNT, MADE UP OF PERSONS FROM EVERY NATION, TRIBE, PEOPLE, AND LANGUAGE, STANDING BEFORE THE THRONE AND BEFORE THE LAMB DRESSED IN LONG WHITE ROBES, AND WITH PALM BRANCHES IN THEIR HANDS.

In our "Glocal context" (Global and Local), locally at MSU Denver we are seeing beautiful things happen on campus! We have partnered with another Cru ministry called "Lifelines" who are helping take our team building to an entirely new level. These are opening up continued doors to serve teams we have less access too and for future open doors for the gospel at individual and team levels. In addition our normal opportunities still exist, as we got to share the gospel with 12 baseball players two weeks ago, and walked through Ephesians 2:1-10 with twenty-one athletes last week. We are very excited and thankful for the movement, and leaders. Thank you for investing in this both in Denver and in The Caribbean by "Building Multi-Ethnic Spiritual movements that impact the campus, community and world for Christ."

Globally we are grateful to partners with an amazing movement in the Caribbean. They are doing so much of the work of demonstration and proclamation of the gospel in country. We will help with some church partnerships, our third annual December baseball trip of about 30 guys, and a few spring break trips. Please continue to pray for all things related to this partnership. We are having so many opportunities because of your investments to help make Revelation 7:9 more true "Glocally"!

Campbell started a Christian Pre-School and is loving it. This also means that its a New-Era in the Hargrove Household as we have some space from Campbell two days a week and is eating that up. Both Campbell and Eve each had surgery within the last 6 weeks, both are doing fine.
