

Restore our fortunes, Lord, as streams renew the desert. Those who plant in tears will harvest with shouts of joy. They weep as they go to plant their seed, but they sing as they return with the harvest.
Psalm 126:4-6 (NLT)

EVERY TEAM SPORT NATION

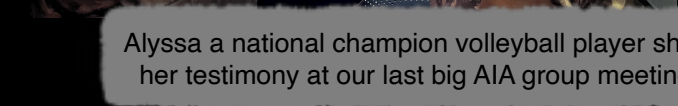

These are the 9 guys I discipled at MSU Denver last year. God gave me vision to make baseball cards for them that included: meanings about their names, scripture verses that correlated to their identity, strengths, areas of growth and a prayer of blessing. I do this every year with just words. But this year we made amazing baseball cards. They loved them! We also did this for our 8U Softball team. Pray they will be a huge blessing. "The Tongue has the power of life or death...reckless words pierce like a sword but the tongue of the wise brings healing.

Campbell played coach pitch baseball and was on swim team!!

Taylor & Katie got to coach an 8U Softball team in which they poured out the truth of the game and some truth about faith and sport. We loved coaching together and watching Eve thrive!

We have been watching both world cup highlights and some matches! This morning we opened up the Bible app and choose this plan which had a devotional and testimony of soccer players following Jesus. I highly recommend this and sharing this with others. As the world looks to soccer, people can be pointed to Jesus.
